## Some key things you need to know about your insurance:

1. This insurance is only available to residents of the **United Kingdom**.
2. To be eligible for cover under this insurance an **insured member** must:
  - (a) not suffer from a **chronic breathing condition**. A **chronic breathing condition** means any of the following: Severe Allergic Asthma, Asthma with fixed airflow obstruction, Night time (Nocturnal) Asthma, Obstructive Sleep Apnea; Chronic Obstructive Pulmonary Disease (COPD); Chronic Bronchitis; Cystic Fibrosis/Bronchiectasis; Emphysema; Lung Cancer; Lung Hernia; Pleural Effusion; Pneumonia; and
  - (b) be medically fit to travel:
    - a) on the date of booking any **trip** and either paying for the **trip** in full or paying the initial instalment or deposit towards the final cost of the **trip**; and
    - b) on the date(s) you pay any further balance(s) or instalments towards the final cost of the **trip**; and
    - c) on the date of departure on the **trip**.

Being medically fit to travel means:

- (i) any existing **medical condition(s)** you have must be stable and controlled by any treatment you are receiving and/or medication(s) you have been prescribed; and
- (ii) there must be no known likelihood of any specialist or specific medical tests, investigations or variation of treatment or medication for any existing **medical condition(s)** on any of the above dates, or whilst travelling; and
- (iii) you are not awaiting surgery for any diagnosed **medical condition**; and
- (iv) you are not exhibiting symptoms of an existing **medical condition** which could mean that your **trip** could be cancelled or cut short.

It is always advisable to consult a doctor if you have any doubts about whether any **insured member** is medically fit to undertake a **trip**.

Full details of the eligibility requirements for cover under this insurance are listed under "Eligibility" on pages 17-18 of this Evidence of Insurance document.

3. This insurance can only be purchased by persons aged between 50 and 74 years at the commencement of the first **period of cover**. However, once the insurance has been purchased no upper age limit applies provided cover is not lapsed. If you choose Couple or Family Cover, the person purchasing the cover must be aged between 50 and 74 years on the date of purchase but any spouse/partner to be insured can be aged under 50. Your or your spouse/partner's children can also be covered under this insurance if you choose Family Cover, but children cannot remain covered under this insurance after the renewal date following their 21st birthday. Any child who is aged 17 or under must always be travelling with one of the insured adults on the Insurance Schedule in order for cover to be provided for such child.
4. All **trips** must start and end in the **United Kingdom**.
5. **Trips** within the **United Kingdom** are only covered if they include at least 2 nights' pre-booked accommodation.
6. There is no cover under the insurance if you travel to a country or specific area that the Foreign, Commonwealth and Development Office (FCDO) has advised against all travel or all but essential travel to.

# 1 About your insurance (continued)

**This is travel insurance and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

## • **Important Information You Have Given Us**

In deciding to accept this insurance and in setting the terms and premium, we have relied on the information you have given us via the Scheme Administrator. You must take reasonable care to provide complete and accurate answers to the questions asked when the insurance is taken out, changed, or renewed (if applicable). If the information provided by you is not complete and accurate:

- we may cancel the insurance and refuse to pay any claim, or;
- we may not pay any claim in full, or;
- we may revise the premium, or;
- the extent of the cover may be affected.

We will write to you if we:

- intend to cancel the insurance; or
- need to amend the terms of the insurance; or require you to pay more for this insurance.

If you become aware that information you have given is incomplete or inaccurate, you must inform the Scheme Administrator as soon as possible. Contact details are given on page 2 of this document.

- This insurance is governed by the laws of England and Wales and subject to the non-exclusive jurisdiction of the courts of England.
- No alterations and/or additions to the printed terms and conditions of your insurance are valid unless made in writing by us.
- The Evidence of Insurance comprises of separate sections that state what events you are covered for and any applicable limits, conditions and exclusions. If your circumstances do not fit those described, then there is no cover in place. Only events that happen during the **period of cover** and for which the appropriate premium has been paid will be considered.
- You are expected to take reasonable care of yourself and your possessions, and act as if uninsured at all times. We are entitled to refuse to pay any claim unless the **insured member** exercises all reasonable care to prevent accident, injury, illness, loss or damage.
- You must supply us with all the documents and information we may reasonably need, and not pay or agree to pay costs that another party is seeking to claim from you that we have not authorised.

- We may take over and deal with, in your name, the defence/settlement of any claim made under the insurance; and take proceedings in your name, but at our expense, against the responsible party to recover, for our benefit, the amount of any payment made under the insurance.
- If, at the time of a valid claim under this insurance there is another insurance in force which covers you for the same loss or expense (for example a Home Contents Policy), we may seek a recovery of some or all of our costs from the other insurer. You must give us any help or information we may need to assist us with our loss recoveries.
- USA Medical Costs: Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. It is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to the **United Kingdom**. Medical providers may engage the services of collection agencies but any correspondence should simply be sent on to us, unanswered: there is no lawful action that can be taken which we cannot step in and take over on your behalf. Please contact the International Medical Emergency Assistance helpline as soon as possible in the event of an accident or injury and do not pay for the costs of any treatment you receive.

## What to do in a medical emergency

**PLEASE NOTE: This is travel insurance and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

**IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999**

You should receive emergency medical treatment or management regardless of your ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

**YOU SHOULD THEN CALL MAYDAY ASSISTANCE ON +44 (0) 1273 624 661\***

Whilst the actual medical care you receive is in the hands of the local doctors treating you, Mayday Assistance can obtain the medical information needed from them to establish what is wrong, as well as their treatment and discharge plans. Mayday Assistance can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

Mayday Assistance will then advise on, and can put in place, suitable **repatriation** plans to get you home as soon as it is medically safe to do so. Mayday Assistance will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of **repatriation** that is best suited to your individual needs and your recovery.

Mayday Assistance understand that an immediate contact could be difficult. If you are travelling alone and cannot make a call yourself, please ask a representative from the hospital to call Mayday Assistance with your details as soon as possible. Mayday Assistance can then offer any useful information and translation requirements to the hospital and you can concentrate on getting better.

\*Please note - this is a basic rate number. Calls may be recorded and/or monitored for quality assurance, training and as a record of the conversation.

## Medical Treatment

There is not cover for:

- routine, non-emergency or elective treatment
- or treatment that can wait until you return home.
- Mayday Assistance doctors are not treating you; they are not responsible or in control of the clinical care you are receiving in a medical facility.
- In some instances, you may need to be moved from one local facility to another larger/ more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible you may have to wait as you would in your local NHS hospital unless you require critical care.
- Once you are discharged from hospital this does not always mean you are fit to fly home - for example, if you were in the **United Kingdom** and suffered the same injury/illness, then you would not consider flying out on holiday so soon after surgery/treatment/ incident.
- Some medical facilities will raise charges that are far in excess of what is customary and reasonable; Mayday Assistance will deal with such bills directly and there is no need for you to pay them. You simply need to pass any correspondence about such bills to Mayday Assistance to ensure Mayday Assistance can provide full financial protection.

## Repatriation (bringing you home)

- Coming home straight away is not always an option even if you are considered 'fit to fly' by the treating doctor.
- Mayday Assistance have a medical team with experience in aviation medicine who will advise on both the timing and method of **repatriation** which is best suited to your individual needs and your recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if your health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the **United Kingdom**, if treatment is not possible where they are.

## Out-patient or treatment for a minor injury or illness

**PLEASE NOTE: This is travel insurance not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

### FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on your foot?

If you need to see a doctor ask locally for the nearest public/state medical facility or seek advice on where to go for treatment from Mayday Assistance on **+44 (0) 1273 624661** (this is a basic rate number).

### OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations **worldwide**) is limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patient's health being compromised over commercial interest or immoral and dangerous practices such as extortion, detainment and withdrawal of treatment which you are unlikely to find occurring in state facilities.

## **IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING**

Using these agreements below in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard **excess** will be waived from any claim you may make. If you are unable to use the UK Global Health Insurance Card (UK GHIC), you will have to pay the medical facility and submit a claim when you get home, the **excess** will then be applied.

**In European Union Countries** – if you present yourself at a public facility you are strongly advised to show your UK Global Health Insurance Card (UK GHIC).

**In Australia** – you are strongly advised to enrol for Medicare, and have it accepted.

**Everywhere else in the World** – if there is not a suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

### **Please note:**

If you are admitted to hospital, you should call Mayday Assistance on:

**+44 (0) 1273 624 661** (this is a basic rate number).

#### 1.3 Period of cover

This insurance is in force for the **period of cover** shown on your Insurance Schedule.

#### 1.4 Premiums

You must pay the premium for this insurance in order to maintain cover. It is your responsibility to ensure that the premium is paid when it becomes due. If your premium is not received within 14 days of your renewal date, you will be written to requesting payment within 14 days. #### 1.5 Renewal

If you take a **trip** which starts before your renewal date and ends after your renewal date, you must pay your renewal premium when it becomes due in order to have cover for the entire duration of your **trip**. If you do not pay your renewal premium when it becomes due, your insurance cover will cease at the end of the final day of your current **period of cover**. This insurance is in force for the **period of cover** stated on your Insurance Schedule. Not less than 21 days prior to the end of your **period of cover**, you will be written to advising you whether we are able to offer to renew your insurance, and you will be advised about any changes to your premium or the terms and conditions of cover. You will also be advised if we are unable to offer you renewal of your cover or if your insurance intermediary advises you to change to a different insurer. If we are able to offer renewal of your insurance and you do not respond to your renewal notice, we will assume that you wish to continue your cover with us on the terms offered to you. Where you have opted to pay by Direct Debit or other payment method, we will continue to collect premiums by such method for the next **period of cover**.

If you do not wish to renew your insurance with us, or if at any point during the **period of cover** you wish to opt out of the auto renewal process, please contact the Scheme Administrator, Grove & Dean Private Clients Limited, on **0800 221 8800** (calls to this number are free); or Email: **oti@grove-dean.co.uk**; or write to Grove & Dean Private Clients Limited, 7 Station Lane, Hornchurch, Essex RM12 6JL.

is the later. This is called the “cooling off period”. We will then return any premium paid for the insurance providing no claim has been made or is intended to be made in the current **period of cover**. Thereafter, provided you have not made a claim and do not intend to make a claim, you can cancel your insurance at any time during the **period of cover** and we will refund 1/12th of the total premium paid, for each full calendar month remaining in your **period of cover** from the date of cancellation. If you wish to cancel your insurance, please contact the Scheme Administrator, Grove & Dean Private Clients Limited on **0800 221 8800** (calls to this number are free); or Email: **oti@grove-dean.co.uk**; or write to Grove & Dean Private Clients Limited, 7 Station Lane, Hornchurch, Essex RM12 6JL.

## **3. General conditions (these conditions apply to the whole of the insurance)**

### **3.1 Commencement of cover**

Each time you travel, cover under this insurance begins when the **insured member** passes through passport control of the station, port or airport in the **United Kingdom** to commence an **overseas journey** and continues until the time of exit from passport control of the station, port or airport on arrival back in the **United Kingdom** on completion of the **overseas journey** (see also 'Time Limits' below).

Please note, however, that the period when cover is provided for cancellation of a **trip** under Section 4 - Loss of deposits, cancellation and curtailment and for **United Kingdom journeys** under Section 11 - Travel within the United Kingdom only, is as stated within those sections of cover.

When this insurance is first purchased for any **insured member** no cover will be provided in respect of any **trip** already commenced.

### **3.2 Time limits**

a) We will provide cover for any single **trip** of up to 65 days or 45 days if travel is to the Caribbean, USA or Canada.

b) Winter sports cover.

We provide cover for any holiday at a **winter sports resort** up to a maximum total number of 17 days in your **period of cover**.

Except as provided specifically by "Automatic Extension" (see below), there is no cover under this insurance for any single **trip** which lasts, or which was planned or expected to last, more than the relevant number of days as described.

### **3.3 Automatic extension**

Cover will automatically be extended if, for unavoidable reasons, the **insured member** is unable to complete a **trip** within the Time Limits stated in section 3.2 above. By this we mean the inability to travel for medical reasons or for reasons beyond your control where there is no available scheduled **public transport**. The extension will be for such period of time as is reasonably necessary to enable the **trip** to be completed.

### **3.4 Cancellation**

We may cancel this insurance at any time if:

- you commit fraud; or
- you do not pay your premium when it becomes due (please refer to 1.4 Premiums on page 16 of this document).

We can also cancel your insurance by providing you with 60 days' notice in writing if you fail to co-operate with us or our **claims handler** or fail to provide information or documentation which may be required.

### **3.5 Family members**

When you deal with us or our **claims handler** or the International Medical Emergency Assistance provider you are acting on behalf of any **family member** covered under this insurance.

### **3.6 Fraud**

We take a robust approach to fraud prevention in order to keep premium rates down so that you do not have to pay for other people's dishonesty. If any claim made by you or anyone acting on your behalf under this insurance is fraudulent, deliberately exaggerated or intended to mislead, we may:

- not pay your claim;
- recover (from you) any payments we have already made in respect of that claim;
- terminate your insurance from the time of the fraudulent act; and
- inform the police of the fraudulent act.

If your insurance is terminated from the time of the fraudulent act, we will not pay any claim for any incident that happens after that time and may not return any of the insurance premium(s) already paid.

### **3.7 Third Party rights**

Only you and we have rights under this insurance and it is not intended that any clause or term of this insurance should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person.

### 3.9 Language

This Evidence of Insurance is written in English and all other information and communications to you relating to this insurance will also be in English.

Claims made in a non-sterling currency are assessed by converting the amount claimed into sterling.

The current exchange rate as published in the Financial Times Guide to World Currencies will be used when the claim is assessed. Alternatively the exchange rate used by your bank or credit card company will be used if you provide us with the relevant bank or credit card statement relating to the claim.

**Please remember:** You must submit your claim within 31 days of the completion of the **trip**. However if there is a delay in reporting of your claim it is not the intention to decline your claim or to reduce the payment amount, provided that all the information required is still available and the delay has not prejudiced the **claims handler's** ability to fully assess the claim.

#### (a) Proof

You will be required, when making a claim, to provide all necessary proofs, including proof of travel for your **trip** and the dates on which travel occurred or was scheduled to occur. You will also have to provide, at your expense, all relevant original receipts, certificates, information and evidence reasonably required to enable the claim to be assessed.

## **(b) Investigation**

We reserve the right to undertake appropriate investigations to find out more about your claim. We will pay any fee involved for such investigations. However, this reservation does not relieve you of any obligations to provide the documents and information referred to above. We will pay your GP for medical records/completion of a medical certificate as requested by us.

## **(c) In-patient treatment**

If it is necessary for an **insured member** to be an in-patient during an **overseas journey** contact must be made with the International Medical Emergency Assistance helpline as soon as is practicable. If an **insured member** does not contact the International Medical Emergency Assistance helpline as soon as is practicable and there was no adequate reason for the failure to do so, we will only pay up to the standard fee that would usually be charged for the treatment you are receiving, in the country in which you are receiving it.

## **(d) Treatment in the United Kingdom**

We will not pay for any costs under Section 1A - Medical and additional expenses for treatment incurred in the **United Kingdom**.

## **(e) Third Party recoveries**

We may, at our own expense, take proceedings in the **insured member's** name to recover compensation from any third party in respect of any amounts paid under this insurance. The **insured member** must give such assistance as we shall reasonably require and any amount recovered shall belong to us.

## **(f) Excess**

The **excess** will be applied to each **insured member** who is claiming, for each eligible claim under each section. This may mean more than one **excess** per person per claim may be requested as one claim may include more than one benefit.

## **(g) Reasonable care**

We are entitled to refuse to pay any claim unless the **insured member** exercises all reasonable care to prevent accident, injury, illness, loss or damage.

## **5. General exclusions**

This insurance does not cover:

**5.0** any other loss, damage or additional expense following on from the event for which you are claiming, unless we provide cover under this insurance. For example, we will not pay for loss of earnings following **bodily injury** or illness.

exclusion will apply to all sections of cover, whatever your reason for travel. We recommend the **insured member** contacts the Foreign, Commonwealth and Development Office or their tour operator/airline before travel to establish the current FCDO advice. This will ensure the **insured member** is aware of the content of cover before travelling. Relevant information is available on their website: [fco.gov.uk](http://fco.gov.uk).

ionising radiation or contamination by radioactivity contamination from any nuclear waste, from combustion of nuclear fuel or the radioactive, toxic, explosive or other hazardous properties of any nuclear assembly or nuclear component of such assembly or from any chemical or toxic waste.

This exclusion shall not apply to benefits under Section 1 (Medical Benefits) providing:

- the **act of terrorism** is not of a nuclear nature
- at the time of travel the **insured member** is not travelling to a country or area that the Foreign, Commonwealth and Development Office lists as a place which they either advise against:

  - all travel on holiday.

### Section 1 - Medical Benefits

#### A - Medical and additional expenses

**This is travel insurance not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if the International Medical Emergency Assistance company have confirmed that medically capable public facilities are available. Whilst the actual medical care you receive is in the hands of the local doctors treating you, the International Medical Emergency Assistance company can obtain the medical information needed from them to establish what is wrong, as well as their treatment and discharge plans. The International Medical Emergency Assistance company can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns**

over practice. The International Medical Emergency Assistance company will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. The International Medical Emergency Assistance company will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs of your recovery.

We will pay up to the maximum amount of £5,000,000 in all for each **insured member** for each **trip**.

We will pay expenses necessarily and reasonably incurred outside the **United Kingdom** if the **insured member** suffers illness or injury during the **period of cover** outside the **United Kingdom**, for the following:

**What we will pay for:**

- a) hospital, medical and treatment expenses
- b) up to £750 for emergency dental treatment for the immediate relief of pain and the preservation of natural teeth but not subsequent restorative work:
- c) additional accommodation and travelling expenses incurred as a direct consequence of **bodily injury** sustained by the **insured member** or of unforeseen sickness of the **insured member** which has occurred while the **insured member** was on an **overseas journey**. We will pay for accommodation and travel expenses of a similar standard to that originally booked and paid for.
- d) charges in the event of the death of an **insured member** outside the **United Kingdom**, for burial or cremation in the locality where death occurs, up to a maximum of £2,000.
- e) additional accommodation and travelling expenses which are necessarily incurred by one relative or one friend who is required, on written medical advice, to remain with an **insured member** who has suffered injury or sickness as in c) above.

**Please note:** We will pay for accommodation and travel expenses of a similar standard to that originally booked and paid for.

**USA medical costs**

Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. It is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to the **United Kingdom**. Medical providers may engage the services of collection agencies but any correspondence should simply be sent on to us, unanswered: there is no lawful action that can be taken which we cannot step in and take over on your behalf. Please contact the International Medical Emergency Assistance helpline as soon as possible in the event of an accident or injury and do not pay for the costs of any treatment you receive.

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- i) any medical expenses if you are not medically fit to travel:
  - a) on the date of booking any **overseas journey** and either paying for the **overseas journey** in full or paying the initial instalment or deposit towards the final cost of the **overseas journey**; and

- b) on the date(s) you pay any further balance(s) or instalments towards the final cost of the **overseas journey**; and
- c) on the date of departure on the **overseas journey**.

Being medically fit to travel means:

- (i) any existing **medical condition(s)** you have must be stable and controlled by any treatment you are receiving and/or medication(s) you have been prescribed; and
  - (ii) there must be no known likelihood of any specialist or specific medical tests, investigations or variation of treatment or medication for any existing **medical condition(s)** on any of the above dates, or whilst travelling; and
  - (iii) you are not awaiting surgery for any diagnosed **medical condition**; and
  - (iv) you are not exhibiting symptoms of an existing **medical condition** which could mean that your **overseas journey** could be cancelled or cut short.
- ii) we will not pay any claims resulting directly or indirectly from any **medical condition** you have with which a **medical practitioner** has advised you not to travel, or would have done so had you sought his/her advice, and despite this you still travel;
  - iii) if an **insured member** is terminally ill (by which we mean that the **insured member** has a life expectancy of below one year at the start of the **overseas journey**) we will not pay any claims caused directly or indirectly by that terminal illness;
  - iv) any surgery, treatment or investigations which you intend to travel to receive, including expenses incurred due to the discovery of any other **medical conditions** during, and/or complications arising from, these procedures;
  - v) treatment on an **overseas journey** if the **insured member** knew that such treatment would be needed at some point in the course of the **overseas journey**;
  - vi) there is no cover under this insurance in relation to normal pregnancy or childbirth, but we will pay for the treatment of a **medical condition** which is due to and occurs during pregnancy subject to all other benefit limitations and exclusions under this insurance;
  - vii) any expenses incurred in the **United Kingdom**;
  - viii) any medical or additional expenses for any treatment which, in the opinion of the doctor in attendance and our medical adviser, can reasonably be delayed until the **insured member** returns to the **United Kingdom**;
  - ix) travel against any health requirements stipulated by the carrier, their handling agents or any other **public transport** provider;
  - x) any expenses recovered under a National Health Service reciprocal agreement abroad - for example by using a UK Global Health Insurance Card (UK GHIC);
  - xi) any loss or expense which is in any way connected with an **insured member's** psychiatric illness;
  - xii) gender re-assignment operations or any other surgical or medical treatment including psychotherapy or similar services which arise from, or are directly or indirectly made necessary by, gender re-assignment;
  - xiii) any medication or drugs which at the start of the **overseas journey** the **insured member** knew they needed;

- xiv) vaccinations and routine medical examinations, including routine follow-up examinations;
- xv) any charges for massage and/or services from health hydros, spas, nature cure clinics or any similar place, even if it is registered as a hospital;
- xvi) any charges for repairs to or provision of dentures or artificial teeth; or for dental work involving the use of precious metals; and
- xvii) the first £60 of each and every claim per incident for each **insured member** (unless the **insured member** uses a UK Global Health Insurance Card (UK GHIC) to recover costs).
- xviii) any costs for treatment relating to Covid-19 if you are unable to provide evidence from a **medical practitioner** confirming that you have contracted Covid-19.

Note: Benefits for any necessary emergency **repatriation** and/or evacuation are not included in this Section 1A. The terms applicable to **repatriation** and/or evacuation are shown in Section 1B (International Emergency Medical Assistance).

#### **The service**

The **service** is available **worldwide** during the **period of cover** to any **insured member** who, while abroad from the **United Kingdom**, is injured or becomes ill suddenly and needs immediate hospital treatment as an in-patient. The **service** is only available in these circumstances. If the **service** is needed you must contact Mayday Assistance as soon as is practicable so that help or advice can be given over the phone. Arrangements may then be made for an **appointed doctor** to see the **insured member** and to move him or her back to the **United Kingdom (repatriation)** if necessary. If an **appointed doctor** thinks it is necessary then the **service** will be carried out under medical supervision. The **service** includes any necessary treatment required whilst the **insured member** is being moved.

However, if there is a delay in reporting the matter, it is not our intention to decline to provide the **service** or to reduce any payment provided that the delay has not prejudiced Mayday Assistance's ability to fulfil its obligations to provide the **service** and/or to manage the costs associated to the **service**.
- v) any costs incurred as a result of an **insured member** having contracted Covid-19 unless evidence from a **medical practitioner** is provided confirming that the **insured member** has contracted Covid-19.

## Sections 2 to 11 - Travel benefits

### Section 2 - Personal accident

#### Additional definitions applying to Section 2:

**loss of limb(s)** - the loss by permanent physical severance of a hand at or above the wrist or of a foot above the ankle bone (talus).

**loss of sight** - total and permanent loss of sight without expectation of improvement:

- a) in both eyes when an **insured member's** name is added to the Register of Blind Persons on the authority of a qualified ophthalmic specialist; or,
- b) in one eye when the degree of sight remaining after correction is 3/60 or less on the Snellen Scale.

#### **permanent total disablement:**

This has different meanings as shown below depending on the age of the **insured member** and whether or not an **insured member** is in paid employment.

- If an **insured member** is in any form of paid employment, permanent total disablement means:

Loss of physical or mental ability which occurs as a result of **bodily injury** within 12 months of the date of the accident, to the extent that an **insured member** is unable to do the material and substantial duties of his/her occupation ever again. The material and substantial duties are those that are normally required for, and/or form a significant and integral part of, the performance of the **insured member's** occupation that cannot reasonably be omitted or modified. An **insured member's** occupation means his/her trade, profession or type of work he/she does for profit or pay. It is not a specific job with any particular employer and is irrespective of location and availability. A **medical practitioner** must reasonably expect that this disability will last throughout life with no prospect of improvement, irrespective of when the cover ends or the **insured member** expects to retire.

- If an **insured member** is not in any form of paid employment, permanent total disablement means:

Loss of physical or mental ability which occurs as a result of **bodily injury** within 12 months of the date of the accident, to the extent that an **insured member** is unable to continue his/her education and/or will be unable ever to complete the material and substantial duties of a clerical/administrative occupation. The material and substantial duties are those that are normally required for, and/or form a significant and integral part of, the performance of a clerical/administrative occupation that cannot reasonably be omitted or modified. A **medical practitioner** must reasonably expect that the disability will last throughout life with no prospect of improvement, irrespective of when the cover ends.

- If an **insured member** is aged 18 or under (or up to 23 and in full time education excluding apprenticeships), permanent total disablement means:

Loss of physical or mental ability which occurs as a result of **bodily injury** within 12 months of the date of the accident, to the extent that an **insured member** is unable to continue his/her education ever again, or will be unable to perform material and substantial duties of a clerical/administrative occupation. The material and substantial duties are those that are normally required for, and/or form a significant and integral part of, the performance of a clerical/administrative occupation that cannot reasonably be omitted or modified. A **medical practitioner** must reasonably expect that the disability will last throughout life with no prospect of improvement, irrespective of when the cover ends.

The maximum amount of benefit we will pay under this Section 2 for one or more injuries sustained by an **insured member** during any **period of cover** shall not exceed £15,000. Only one benefit will be payable in any **period of cover**.

### What we will pay for:

We will pay the following amounts in the event that an **insured member** sustains a **bodily injury** while on a **trip** during the **period of cover** which, within twelve months from the date of the accident, results solely and independently in the **insured member's** death, **loss of limb(s)**, **loss of sight** or **permanent total disablement**:

Benefit	Under age 16 years	Age 16 years or over
(a) Death	£3,000	£15,000
(b) <b>Loss of limb(s)</b> or <b>loss of sight</b>	£15,000	£15,000
(c) <b>Permanent total disablement</b>	£15,000	£15,000

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

Any claim that does not relate directly to a **medical condition** for which we have paid benefit under Section 1A - Medical and additional expenses or for which benefit would have been paid if the **insured member** had not used a UK Global Health Insurance Card (UK GHIC) to recover costs.

#### (b) Delayed personal baggage

Emergency purchases of essential items of clothing, medication or toiletries which result from any temporary loss of **personal baggage** as a result of delay or misdirection in delivery by a carrier provided that such delay or misdirection lasts for more than twelve hours from the time the **insured member** arrives at the outward destination on his/her **trip**.

- ix) loss or damage to **personal baggage** whether or not carried in suitcases, trunks or containers of a similar nature unless at all times they are attended by the **insured member** or deposited in a safety deposit box (where available) or left in the **insured member's** locked personal accommodation other than **personal baggage** left in the locked boot or covered luggage area of a motor vehicle following forcible and violent entry;

3. If you claim for a part of a pair or set of articles, we will only pay for the part of the pair or set which is accidentally lost or damaged.

## Section 4 - Loss of deposits, cancellation and curtailment

Please Note: Cancellation cover under this Section 4 is provided from the start date of your **period of cover** as stated in your Insurance Schedule or the time of booking any **trip**, whichever is the later date, and terminates on the commencement of any **trip**.

### **Additional definition applying to Section 4:**

**close business colleague** - any person whose absence from business for one or more complete days at the same time as an **insured member's** absence prevents the proper continuation of that business.

We will pay up to £5,000 for each **insured member** for each **trip** if you are forced to cancel your **trip** unexpectedly before the start date or **curtail** your **trip** before completion, because the following happened which you could not have foreseen:

- an **insured member** became ill with an **infectious or contagious disease** (including contracting Covid-19) in the 14 days prior to the start of your **trip** or at any time during your **trip**.

Note: Please read the information contained under "Covid-19 cover" at the end of this Section 4 for full details of the cover provided in relation to Covid-19 and the evidence you will need to supply in order to make a claim;

- b. for **curtailment** after departure, any irrecoverable unused travel and accommodation costs, pre-booked excursion costs, and other pre-paid charges which you have paid or are contracted to pay, together with any additional travel expenses incurred.

**Note: Where return to the United Kingdom is necessary in an emergency situation you should contact Mayday Assistance who may be able to assist in having existing air tickets amended.**

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- there is no cover under this insurance if you are not medically fit to travel:
  - a) on the date of booking any **trip** and either paying for the **trip** in full or paying the initial instalment or deposit towards the final cost of the **trip**; and
  - b) on the date(s) you pay any further balance(s) or instalments towards the final cost of the **trip**; and

  - if an **insured member** is terminally ill (by which we mean that the **insured member** has a life expectancy of below one year at the start of the **trip**) we will not pay any claims caused directly or indirectly by that terminal illness;
  - any claim arising directly or indirectly from:
    - misconduct leading to dismissal, or resignation or voluntary redundancy, or where you received a warning or notification of redundancy before this insurance was purchased or at the time of booking any **trip**; or

  - any claim if you are unable to provide evidence from a medical professional confirming your illness or **infectious or contagious disease**;
  - if you cancelled or **curtailed** your **trip** because:
    - you chose to quarantine or isolate as a result of exposure to an **infectious or contagious disease** including Covid-19;

### **Covid-19 Cover**

If, in the 14 days prior to the start of your **trip** or at any time during your **trip**, an **insured member** becomes ill following a positive diagnosis of Covid-19 and you are forced to cancel your **trip** or **curtail** your **trip** before completion, the insurance provides the following cover:

- For cancellation prior to departure – Cover for any irrecoverable cancellation costs and charges if you are unable to travel to or enter any country because you have tested positive for Covid-19 and are unable to demonstrate that you are symptom free or have tested negative for Covid-19. This cover is only provided where you were travelling to a country which requires you to provide evidence of a negative test for Covid-19 prior to travelling to or entering the country;
- For **curtailment** after departure – Cover any irrecoverable unused travel and accommodation costs, any other pre-paid charges which you have paid or are contracted to pay, and any additional travel expenses incurred.

There is no cover under this insurance:

- For irrecoverable cancellation costs and charges unless you provide evidence that you have been unable to travel to or enter any country because you have tested positive for Covid-19. You must provide the result of a test carried out by a testing provider who has self-certified as meeting the UK Government's minimum standards for general population testing services.

You can find a list of such providers at <https://www.gov.uk/get-coronavirus-test>

- For any irrecoverable unused travel and accommodation costs, any other pre-paid charges which you have paid or are contracted to pay, and any additional travel expenses incurred, if you are unable to provide evidence from a **medical practitioner** confirming that you have contracted Covid-19;
- If you cancel or **curtailed** your **trip** because:
  - you chose to quarantine or isolate as a result of exposure to an **infectious or contagious disease** including Covid-19; or
  - you simply did not want to travel or had a fear of travelling.

## Section 5 - Delayed departure or extended delay

We will pay up to the following amounts for each **insured member** for each **trip**:

Delayed departure		Maximum	Extended delay	Cancellation due to delayed departure
First complete 12 hours	Each subsequent complete 12 hours			
£50	£50	£200	£2,000	£2,000

### What we will pay for:

In the event that any train, coach, aircraft or sea vessel in which the **insured member** had arranged to travel from or back to the **United Kingdom** departs more than 12 hours after the time specified in the relevant itinerary supplied to the **insured member** due to:

- strike or industrial action; or
- adverse weather conditions; or
- mechanical breakdown; or
- technical fault.

We will pay benefits as follows:

#### a) **Delayed departure**

up to the amount set out in the Table of Benefits above for the first completed 12 hours of delay and for each full 12 hours' delay thereafter, up to 48 hours.

#### b) **Extended delayed departure**

if the departure is delayed by 24 hours or more we will pay the percentage of irrecoverable travel and accommodation expenses you have paid or are contracted to pay that the days of delay bear to the total days of the **trip**, provided you do not cancel your **trip** and you do proceed to your destination.

For example, if you are delayed by 2 days and your **trip** duration was due to be for 10 days, you will receive benefit equivalent to 20% of irrecoverable travel and accommodation expenses.

#### c) **Cancellation due to delayed departure**

for irrecoverable travel and accommodation expenses you have paid or are contracted to pay if after a minimum 12 hours has elapsed you choose to cancel your **trip**.

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- the first £60 of each and every claim per incident in respect of each **insured member** for extended delay.

## Special conditions

- (A) An **insured member** cannot claim under both this Section 5 (Delayed Departure or Extended Delay) and Section 6 (Missed Departure) in respect of the same loss.
- (B) The **insured member** must obtain written confirmation from the carriers (or the handling agents) of the number of hours delay in departure giving the reason for such delay.

## Section 6 - Missed departure

We will pay up to £1,000 for each **insured member** for each **trip**.

### What we will pay for:

Additional transport charges necessarily incurred to enable the **insured member** to reach the destination stated in the relevant itinerary because the **insured member** failed to reach either the point of departure from or return to the **United Kingdom** in time to join the booked train, aircraft or sea vessel. Failure to reach such point of departure in time must have been caused by the mechanical breakdown of the motor vehicle in which the **insured member** was travelling (unless such breakdown was the direct result of failure to carry out routine maintenance to the vehicle) or of an accident which renders it unroadworthy, or by the failure of **public transport** scheduled services (including scheduled flights) due to:

- (a) strike or industrial action; or
- (b) adverse weather conditions; or
- (c) mechanical breakdown; or
- (d) technical fault.

**Please note:** We will pay for transport expenses of a similar standard to that originally booked and paid for.

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- i) mechanical breakdown or accident rendering the motor vehicle in which the **insured member** was travelling unroadworthy unless the **insured member** has obtained a written statement from a recognised breakdown recovery service or repairer confirming the fact of mechanical breakdown, or a police report of the accident;
- ii) failure of **public transport** scheduled services unless the **insured member** has obtained written confirmation from the **public transport** authority of the cause and length of the delay;
- iii) costs if the transport operator has offered alternative travel or accommodation arrangements of a similar standard to that originally booked and paid for;
- iv) the first £60 of each and every claim per incident for each **insured member**.

### Special conditions:

An **insured member** cannot claim under both Section 5 (Delayed Departure or Extended Delay) and this Section 6 in respect of the same loss.

## Section 7 - Catastrophe cover

### What we will pay for:

Accommodation and transport costs the **insured member** incurs when they need to move to other accommodation of a similar standard to that originally booked and paid for, if, as a result of fire, flood, earthquake, avalanche, storm or local government directive during the **trip**, the **insured member** cannot use the accommodation. We will pay up to a maximum £300 for each **trip**.

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- i) any costs or expenses payable by or recoverable from your tour operator, airline, hotel or other provider of accommodation.
- ii) any costs or expenses if the **insured member** decides not to remain in the booked accommodation, although it is considered safe and acceptable to continue staying there.

## Section 8 - Legal expenses

### What we will pay for:

Legal costs which the **insured member** or his or her personal representatives have to pay to pursue a civil action for compensation in the event of the **insured member's** death or personal injury caused by the fault of someone else during the **period of cover**.

The most we will pay for each **insured member** for each **trip** is £25,000.

Where there are two or more **insured members** covered by this insurance, the maximum we will pay in respect of all claims under this Section 8 is £50,000.

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- i) any claim where, in our opinion there are no reasonable prospects of success in obtaining compensation;
- ii) any claim not notified to our **claims handler** within 90 days after the commencement of the event giving rise to the claim. However, if there is a delay in notifying your claim, it is not our intention to decline your claim or to reduce any cover provided or payment amount, provided that the delay has not prejudiced our appointed agents' ability to pursue a civil action in any respect;
- iii) any claim against a carrier, or the travel or holiday agent or tour operator arranging the **trip**; or against us;
- iv) any claim against a person with whom you were travelling;
- v) any legal action where the estimated amount of damages is less than £500, but our appointed agents will try to obtain an amicable settlement in those circumstances;
- vi) legal costs in respect of actions undertaken in more than one country;
- vii) any legal fees incurred on the contingency that your action is successful;
- viii) any legal consultation which is in respect of any invoices unpaid by you;

- ix) any legal costs or expenses incurred before our **claims handler** accepts your claim in writing;
- x) any claims made by an **insured member** other than in his or her private capacity;
- xi) any claim arising from participation in any sport listed in the General Exclusions section on pages 23-26.

### Conditions relevant to this Section 8

1. We shall supervise any legal action through agents we nominate and will decide the point at which negotiations cannot usefully be pursued further. After that, no further claims can be made against us in respect of the event giving rise to that legal action.
2. We shall have complete control over the legal case through agents we nominate, by appointing agents of our choice on your behalf with the expertise to pursue your claim.
3. You must follow our agent's advice and provide any information and assistance required within the requested timescale.
4. You must advise us of any offers of settlement made by the negligent third party and you must not accept any such offer without our permission.
5. We may include a claim for our legal costs and other related expenses.
6. We may, at our own expense, take proceedings in your name to recover compensation from any third party for any legal costs incurred under this insurance. You must give us any assistance we require from you and any amount recovered shall belong to us.

## Section 9 - Personal liability

We will provide cover up to £2,000,000 in total (inclusive of legal costs) for each **insured member** for each **trip** or for any claim or series of claims arising from any one event or source of original cause.

### What we will pay for:

- (a) any amounts the **insured member** becomes legally liable to pay as compensation whilst undertaking a **trip** within the **period of cover** as a result of:
  - (i) accidental injury to a person;
  - (ii) accidental loss or damage to material property belonging to a third party;
  - (iii) any third party costs and expenses which are recoverable from the **insured member** by the third party under English law;
- (b) the **insured member's** costs and expenses provided that such costs and expenses have been incurred with our **claims handler's** prior written consent;
- (c) the cost of a visit by a local lawyer to provide initial consultation if criminal proceedings are brought against an **insured member** in a court as a result of any accidental action by the **insured member**.

- ii) liability arising out of the ownership, possession or use of any vehicle, aircraft or water craft (other than manually propelled rowing boats, punts or canoes);
- iii) liability arising out of property belonging to or held in trust by or in the custody or control of the **insured member**;
- iv) liability arising out of the carrying on of any trade, profession or business; and
- v) damage, illness or disease directly or indirectly arising out of a communicable disease.

**Please note:** It is a condition of any claim under this Section 9 that the **insured member** shall make no admission, offer, promise, payment or undertaking of payment without our **claims handler's** prior written consent. You must tell our **claims handler** if you are aware of any writ, summons or impending prosecution.

## Section 10 - Winter Sports

The cover under this Section is automatically included in your insurance cover. We will not cover you for skiing off piste or any other winter sports activity carried out off piste.

Winter sports cover is limited to a maximum total of 17 days in any **period of cover**.

### What we will pay for:

#### a) piste closure

We will pay up to £200 for the cost of the **insured member's** transport and accommodation expenses to an alternative site if weather conditions, the non-function of ski lift(s) or avalanche result in the total closure of skiing facilities in the resort in which the **insured member** has pre-booked and it is not possible to ski as long as such conditions prevail at the resort.

If no alternative sites are available we will pay compensation at the rate of £20 per day up to £200.

#### b) delay due to avalanche

We will pay up to £100 for additional travel and accommodation costs necessarily incurred by the **insured member** to get to or return home from the pre-booked **winter sports resort** if the transport on which the **insured member** is pre-booked is delayed for more than 12 hours due to avalanche.

Please note: In relation to both a) and b) above, we will pay for travel and accommodation expenses of a similar standard to that originally booked.

#### c) ski hire

Up to £20 for each **insured member** for each full 24-hour period the **insured member** necessarily hires skis, ski boots, ski bindings or ski poles, following:

- accidental loss or damage to the **insured member's** own skis; or
- those skis being lost or misplaced by an airline or other carrier on the outward journey from the **United Kingdom** so that they are delayed for at least 12 hours after the **insured member's** arrival at the holiday destination.

The maximum benefit payable under this section of cover is £200 for each holiday.

Please note: There is no cover for ski hire following damage to skis which are more than five years old.

#### d) loss of ski pass

Please note: an **insured member** cannot claim under both this Section 10 d) and Section 3 (Loss of Personal Money) in respect of the same loss;

#### e) physiotherapy in the United Kingdom

**What we will not pay for** (the following exclusions apply to this section of cover in addition to the General Exclusions on pages 23 to 26):

- i) claims arising from skiing off piste or any other winter sports activity carried out off piste;
- ii) claims arising from piste closure due to lack of snow before 1 December of any year or after 1 April of any year (or such season as is suitable for skiing in the relevant **winter sports resort**);
- iii) any expenses incurred unless written confirmation from the holiday representative, their handling agents or ski-lift operators is obtained confirming the piste(s) closure, the duration of the closure and the reason for such closure;
- iv) expenses incurred owing to strike or industrial action of the piste and/or ski-lift operators in the resort in which the **insured member** was scheduled to stay and which existed or was known to be anticipated on the date the **overseas journey** was booked;

- vi) ski hire following the delay, detention, seizure or confiscation of skis by Customs or other officials;
- vii) ski hire following damage to skis more than five years old;
- viii) loss of a ski lift pass not reported to the police within 24 hours of discovery and supported by a written report obtained from them;
- ix) the first £60 of each and every claim per incident for each **insured member**;
- x) any claim for physiotherapy treatment following the return to the **United Kingdom** (see 10.e), which does not relate directly to a **medical condition** for which we have paid benefit under Section 1A- Medical and additional expenses or for which benefit would have been paid if the **insured member** had not used a UK Global Health Insurance Card (UK GHIC) to recover costs.

### Section 11 - Travel within the United Kingdom only

If the **insured member** is undertaking a journey solely within the **United Kingdom**, it follows that some Sections of this Evidence of Insurance will not apply to the cover we offer for such a journey.

The following modifications therefore apply to your insurance in respect of any journey made solely within the **United Kingdom**:

1. In Section 2 of this document the following definitions are modified.

(a) The definition of '**overseas journey**' does not apply and the following replaces it:

**United Kingdom journey**

A journey which does not involve travelling outside the **United Kingdom** and must include at least two nights' pre-booked accommodation.

For the purposes of the cover provided under this Section 11, the term '**United Kingdom journey**' shall replace the term '**overseas journey**' throughout this document and where the document refers to departure from or to the **United Kingdom** this shall be interpreted as departure from or return to the **departure point** within the **United Kingdom**.

(b) For this Section 11 only we have defined '**departure point**' as:

**Departure point**

Your home address in the **United Kingdom**.

2. In Section 3 of this document the provisions of Section 3.1 (commencement of cover) do not apply.

Cover for each **United Kingdom journey** begins when the **insured member** leaves the **departure point** to commence the **United Kingdom journey** and continues until the arrival back at the **departure point** on the completion of the **United Kingdom journey**.

Cancellation cover under Section 4 is provided from the start date of your **period of cover** as stated in your Insurance Schedule or the time of booking any **United Kingdom journey**, whichever is the later date, and terminates on the commencement of any **United Kingdom journey**.

3. The following benefits are not available to **insured members** travelling solely within the **United Kingdom**:

(i) Section 1 - Medical benefits

(ii) Section 3 - Loss of passport

(iii) Section 10 - Winter sports

You are reminded that we will not pay for any costs of medical expenses incurred in the **United Kingdom** due to illness or injury under this insurance.
